## Conditions of Membership

- 1 A renewal reminder will be sent out towards the end of each year, and notification will be made in "The monthly Newsletter". It is the responsibility of the member to return the renewal form and membership subscription by the due date. Failure to do this will result in cancellation of membership and the loss of membership benefits.
- 2 Special rates are available (see price list) on all equipment rental prices (discounted from the normal, full price rental cost). This is only available on equipment that is for the use of the member.
- 3 All Club Members will pay only £3.50 for 232 bar air fills on production of their membership card and reduced cylinder hire from £8.50 per day to new hire charge of £5.00 per day.
- 4 A loyalty reward of up to 7.5% is available on the shop price (equivalent to 15% of **recommended retail price**) of goods purchased from Clubsub's dive shops when payment is made by the member, in person, and on production of the member's membership card and payment is made by either Cash, Chq or Debit card. A maximum of 3.5% will be given if payment is made via Credit Card. This discount is NOT available on special offer items. Special dive society offers will be published in the newsletter from time to time. This reward can be reclaimed against other purchases from the dive centre and can accumulate over time.
- 5 Members will get a 7.5% Loyalty on all SSI & PADI training courses.
- 6 Regular updates and advance notification of dive trips are provided through the monthly newsletter, which is either sent out or e-mailed to all members.
- 7 An invitation exists exclusively for members to attend scheduled pool sessions for the purpose of practicing personal snorkeling or scuba skills without instruction. To avoid disappointment, however, please book your place in advance since space in the pool is limited. Places are not guaranteed. There is no charge to use the pool but equipment rental charges apply if you wish to use Clubsub equipment.
- 8 If weather, industrial action or any other circumstances outside our control causes any event to be cancelled, delayed, cut short or changed, Clubsub Dive Centre's will not be held liable for any consequential loss, damage or expense incurred by the member.
- 9 Persons using the schools equipment for any diving purposes shall be responsible for the said equipment from the time of issue and any loss or damage will be charged for at replacement cost.
